Contact Name:	<i>Title</i>	<i>First name</i>	<i>Surname</i>	<i>Job Title</i>	

Part 2: KNOWLEDGE QUESTION DESCRIPTION

The knowledge question is the activity that you are hoping to undertake with one of the registered centrope_tt knowledge providers. Please complete the following section, to give an overview of the activity you would like to undertake using Centrope_tt voucher.

THIS SECTION TO BE COMPLETED BY THE SME

Company profile (max. 500 characters)

Please provide a brief outline of the company, you may wish to include some of the following: sector, customers, how long the company is established, how many employed, main products and main market(s).

The issue to be addressed and the skills and expertise required (max. 2000 characters)

This section should introduce the innovative idea, the area of interest (for example it may be a new product, process, new service delivery, exploring a new business opportunity etc.). Describe what is about the idea that is new or innovative from your company's perspective. You should then briefly describe the issue or problem that you need help with and, if possible, the type of skills and expertise you feel are required.

Please briefly describe how the deliverables will benefit your company (max. 1000 characters)

When the project has been completed how do you expect to use the results and how will this benefit the company going forward?

<p align="center">Supported activities of centrope_tt voucher What is the main focus of the knowledge question?</p> <p align="center">Please enter one number from the list below (1 to 9)</p>	<p>Number:</p>
