

CENTROPE_TT VOUCHER THE CALL

CENTROPE_TT VOUCHER

The centrope_tt voucher is a new developed R&D cooperation tool established by the centrope_tt voucher team to provide access to financial support for 50 transnational science to business cooperation in the bordering regions of Austria, Czech Republic, Slovakia and Hungary – called CENTROPE.

This innovation vouchers helps the SME-s and R&D institutions in the CENTROPE region to develop a transnational cooperation, to enhance the knowledge transfer between the stake holders.

The scheme is funded by the **centrope_tt** project budget. The project is realized in the CENTRAL EUROPE European Territorial Cooperation 2007 – 2013 program.

HOW DOES THE CENTROPE_TT VOUCHER WORK?

The centrope_tt voucher is available for all SMEs who are interested in expertise and direct service from knowledge providers like universities and R&D institutions. SMEs can apply for the centrope_tt voucher **in the value of 5000 EUR** per service.

WHO CAN BE A CENTROPE_TT VOUCHER RECIPIENT?

All registered small and medium sized enterprises (SME) with official seat in the following regions of CENTROPE: Lower Austria, Burgenland, (Austria); Jihomoravsky Kraj; (Czech Republic); Bratislavsky Kraj and Trnavsky Kraj (Slovakia), West-Transdanubian Region (Hungary)

WHO ARE THE KNOWLEDGE PROVIDERS?

SMEs can choose R&D providers active in universities, R&D enterprises or research centers in one of the Centrope regions. Additional information about the research institutes can be obtained by contacting the centrope_tt regional contact points in the region of the interested SMEs. Involved regions of the knowledge providers: Lower Austria, Burgenland, Vienna (Austria); Jihomoravsky Kraj; (Czech Republic); Bratislavsky Kraj and Trnavsky Kraj and neighbouring regions (Trencin, Zilina, Nitra) (Slovakia), West-Transdanubian Region (Hungary).

FORM, DURATION AND AMOUNT OF CENTROPE_TT VOUCHER

The form of the centrope_tt voucher is a non-reimbursable subsidy; the duration of one project is **maximum 6 months**. The maximum amount of the innovation voucher is **5000 EUR / pilot project**. Per SME only one project can be funded.
